TIR / DORSE YEDEK PARÇALARI KATALOĞU

The New Story of The Steel

A top-down view of a vehicle chassis, likely a truck or heavy-duty vehicle, showing the engine, transmission, and various mechanical components. A teal-colored circular component, possibly a fuel filter or a part of the cooling system, is highlighted in the center. The chassis is mounted on a dark, textured surface, possibly a concrete or asphalt ground. The background shows some greenery and a light-colored surface.
